

GardaWorld Tutorial – Procedure to purchase the Online Training – Security Guard (Ontario) Course

To purchase the Online Training – Security Guard (Ontario) Course, you must access our GardaWorld campus website :

<https://campus.garda.com/en/>

Step 1 – Registration and Profile Creation

Select **Connect** in the menu

Fill in all the fields with your personal information.

The image shows the registration form on the GardaWorld Campus website. The form is titled 'Dive into the action And unlock a world of possibilities'. It has a login section on the left with fields for 'Username' and 'Password', a 'Remember Me' checkbox, and 'Log in' and 'Forgot Login?' buttons. The main registration section is on the right, enclosed in a red box. It contains fields for 'First Name', 'Last Name', 'Email', 'Username', 'Password', and 'Verify Password'. Below these fields are three questions: 'Are you currently employed by GardaWorld or a contractor?' with 'Yes' and 'No' radio buttons, 'I accept the terms and conditions' with an 'Accept Terms and Conditions' checkbox, and 'Send me emails on promotions, events and news' with 'Yes' and 'No' radio buttons. At the bottom of the red box is a CAPTCHA section with the text 'Are you human?' and a checkbox labeled 'Je ne suis pas un robot' with a CAPTCHA image and the text 'reCAPTCHA (Google.com - Privacy)'. A 'Sign up' button is at the bottom right of the red box.

We recommend using a **username** with no accent or space and that is easy to remember. This will make it easier to reset your password if needed. We suggest using your email address as your username.

Once your registration is completed, an email will be sent to the email address you have provided.

Step 2 – Purchase a Course

Go back to : <https://campus.garda.com/en/>

Click on **See course list**

Security Skills for the Traveler

The safety of your employees is too important to leave to chance. This immersive training course provides security skills for international travel and critical resources in the event of dangerous situations. By completing this course your employees will better understand the risks associated with international travel and have the tools to mitigate those risks. More importantly, they'll be able to travel with increased confidence as the security skills and resources in this course become "Second Nature".
